TRANSPORT CARRIER SERVICES

**“THE POWER OF TEAMWORK
THE VALUE OF EXPERIENCE.”**

WWW.TCSPHOENIX.COM

The three main causes of fines, loss of business, and delays in the trucking industry are:

- Lack of knowledge
- Rapid and punitive changes in the laws
- Minor clerical errors on government forms

For over 30 years, Transport Carrier Services (TCS) has addressed these areas of concern by:

- Keeping you informed of changes in the industry and working with you to prepare
- Following changes in the laws and passing that information on to you
- Standing behind our work by double and triple checking for accuracy in reporting

Over the last 30 years, TCS has done work for both large and small trucking companies. Many of our customers joined our team in the early years and have been with us since because it's better to be good at several things than to not be good at just one thing. Let us be your back office so you can keep the wheels turning and continue to generate revenue.

So, are you ready?

The following is a list of services we offer directly or through a partner:

- Arizona titles
- Interstate registration
- Intrastate registration
- IFTA licensing and bonding
- Fuel tax processing
- Fuel tax audit coordination
- Registration renewals
- Federal authority
- Broker & Freight forwarder authority
- UCR authority
- Hazmat authority
- IRS Form 2290 tax filing
- NM, OR, NY, & KY permits
- Ad valorem tax filing
- Factoring (partner referral)
- USDOT audit (partner referral)
- E-log filing (partner referral)
- Drug testing (partner referral)
- ... and much more.

Of course most of the trucking companies TCS serves reside in Arizona but we have clients in several other states as well as Canada and Mexico. TCS has proudly maintained an "A+" rating with the BBB for many years because we know that you have choices when it comes to trusting outside services to support your business. As a result, we put a high value on the dollars you invest in that trust. Also, we offer a variety of payment options; cash, check, all the major credit cards, wire transfer, certified funds, cashier's check, or money orders.
