Per ADOT/MVD: All motor Carriers must have a valid email address on their account for ADOT mailings.

ADOT/MVD has changed to a new IRP/IFTA renewal system. They will be emailing all IRP and IFTA renewal invitations to the carriers (NOT THE AGENT). Without an email address you could be late renewing your IFTA and/or IRP registration which will cause you to pay late fees. If you would like TCS to complete any renewal for you, we will need you to send us the renewal notice along with a valid email address.

If you choose to renew your own IRP and/or IFTA license, please send us a copy for your TCS file.
