APRIL 2018 NEWSLETTER

1st QUARTER FUEL TAXES ARE DUE THIS MONTH

**IRP JULY 2018 TO JUNE
 2019 RENEWALS**

Fleet IRP renewals will need to be processed with ADOT for those that expire on June 30, 2018. If your apportioned plates expire in June, there should be a purple renewal information sheet included with this newsletter. If your plates expire in June and a purple renewal sheet is not enclosed, please give our office a call so we can mail or fax one to you. You can also print a renewal form off the forms page of our website. It is very important that your renewal request be processed and submitted to ADOT as soon as possible. ADOT WILL NOT EXTEND ANY GRACE PERIOD. All apportioned plates that expire on June 30, 2018 WILL expire on that day.

SPECIAL NOTE ON

REGISTRATIONS: Additional fees may be due to obtain ADOT's authorization to release credentials.

INSURANCE: Please submit a current certificate of insurance for your vehicle(s) registration to TCS. MVD requires TCS to retain the certificate for file purposes.

REMINDERS: IRP's processing time is a minimum of three days. As we get closer to the expiration date, processing time increases significantly.

If you do not want TCS to do your IRP renewal, give us a call and we will send ADOT's IRP renewal printout to you.

PAYMENT REMINDER: Due to changes in banking practices, our availability to funds deposited is limited. As we cannot issue payment checks to ADOT or any other agency until the funds are available to us by our bank, there will sometimes be a waiting period for your credentials, depending on your chosen method of payment to TCS.

Check our website or talk with Crystal regarding your payment options.

2290 TAX (HVUT)

REMINDER: If you have bought a new truck over 54,999 GVW, you must file and pay your 2290 tax by the end of the month following the date of the purchase. **EXAMPLE:** You purchased a new truck over 54,999 GVW on March 15. The 2290 tax is due before April 30th.

In order for TCS or any other agency, including ADOT, to renew your apportioned trucks, you must have your most recent copy of your paid "2290" tax receipt from the IRS. This seems to be an on-going problem for some customers but there is an option. For a nominal fee, we at TCS would encourage all of our customers who are having a problem with paying their "Heavy Use Tax" on time or with getting a copy of the paid receipt to us before their renewal to have TCS do the paperwork and make the IRS payment for you. For us to be able to do that, we need a Federal Power-of-Attorney signed by you along with the tax money owed. After payment has been made, TCS would then send you a copy of the paid receipt, upon request, and we would retain the original for use at the time of your renewal. If you are interested in this service, please contact Crystal or Veronica in our office.

Special Note: If you are having problems filing your 2290 return in a timely matter, it is better to file the return directly to the IRS without payment, than to not file it at all. Penalties and interest accrue on late returns regardless if the return was remitted with payment or not; although, if filed without payment, penalties and interest will be significantly less than if not filed at all. Payment options are

available to be set up directly with the IRS if you are not able to pay the 2290 when due. IRS locations for 2290 are 4041 N. Central Ave. Phoenix, AZ 85012 or 7350 W. Camino San Xavier Glendale, AZ 85308. You may also contact the IRS at 1-800-829-4933.

Please note that registration cannot be issued without a paid 2290 receipt and the IRS will not issue a receipt until the tax has been paid in full.

1ST QUARTER FUEL TAXES

1st quarter fuel taxes are due this month. Please try to get your trip sheets into our office by April 5th to insure the timely filing of your taxes. Remember, trip sheets are processed as they are received. If you have not operated for any period of time, please be sure to note it on your trip sheets or call Nancy, Elina, Elva, or Danna and have them file zeros or "no operations" for you.

IMPORTANT: If you stopped running in the middle of the month, or anytime at all during the month, you must write a note on your trip sheet that there will be no more trips for that month. Do not assume your fuel tax preparer will know!

EXAMPLE: If your last trip ends on the 20th, your tax preparer will hold your trip sheets waiting for the last week, thus making your taxes late and penalties due!

Also, please forward any tax forms to us that you received at your residence or place of business well before the tax deadline of April 30th. The ADOT penalty alone for a late IFTA report is a \$50.00 late fee plus 1% of the tax due.

As a convenience to our fuel tax customers, and, in most cases, to speed up the fuel tax preparation process, TCS gives you the option to e-mail or fax copies of your trip sheets and fuel

TCS OFFICE HOURS: Monday - Thursday 8:00 am to 5:00 pm and Friday 8:00 am to 12:00 noon

receipts to us. This does not, however, detract from your responsibility to retain the original trip sheets and fuel receipts for a period of no less than five years for audit purposes. If time allows, please mail your trip sheets rather than fax them. Faxes are usually very hard to read and some pages may not come through at all. In all cases, please be aware that TCS will only be responsible to report your fuel taxes based on the information that you provide.

Additional Fuel Tax Service Fee

Reminder, an additional charge will be imposed upon customers turning in trip sheets late. For example, this last quarter, we had a high percentage of people turning in October, November,

and December trip sheets into our office for processing the last two weeks of January. Although we only guarantee anything turned in by the 10th will be completed on time, our fuel tax preparers take the extra effort to process as many as they possibly can by the due date.

Turning in trip sheets late severely increases the processing time as the workload is tripled at the last minute. We ask that trip sheets be turned into our office no later than the 10th of each month for the previous month. (January trip sheets should be in our office by February 10th, February trip sheets should be in our office by March 10th, etc.). Trip sheets turned in late will incur an additional processing fee.

2018 UCR AND MILEAGE PERMIT RENEWAL

You were required to have renewed your UCR and mileage permits by 12/31/17. Fines can now be issued if you are not in compliance.
